CCP – Well Being Seminar 28 Mar 2017

We are delighted that Mrs Yong Tan-Towndrow will give us a talk on the Prevention and Control of Infection at CCP on 28 Mar 2017. Mrs Tan-Towndrow has recently retired from Surrey County Council and used to work in their public health department as the Infection Prevention and Control Lead. We hope that the seminar will increase our understanding of infection and how to prevent it from spreading.

Both members and non-members of the Chinese Association of Woking are welcome to attend the seminar and join us for lunch afterwards. Please bring some home-cooked food along to share with the group if you can.
